1. Change of Deadline for Selection of Repayment Method and Registration of Payee Information

As is mentioned in the “Information on Launch of Function for Selection of Repayment Method and Registration of Payee Information” dated October 6, 2022 (https://www.mtgox.com/img/pdf/20221006_announcement_en.pdf), the Rehabilitation Trustee has launched a function for rehabilitation creditors to select a repayment method and to register payee information (“**Selection and Registration**”) regarding repayments in accordance with the Rehabilitation Plan on the MTGOX Online Rehabilitation Claim Filing System (i.e., the system accessible via <https://claims.mtgox.com/>; the “**System**”).

The deadline for the Selection and Registration was January 10, 2023 (Japan time) but having obtained the permission of the court, **the Rehabilitation Trustee has changed the deadline to March 10, 2023 (Japan time)**, considering various circumstances such as the progress by rehabilitation creditors in respect of the Selection and Registration.

Rehabilitation creditors who have not yet completed the Selection and Registration should refer to the announcement dated October 6, 2022, above and other information provided by the Rehabilitation Trustee, and perform the process as soon as possible. Rehabilitation creditors who have not completed the Selection and Registration by the new deadline will not be able to receive any of the repayments below. In some cases, you may be required to bring the necessary documents to the head office of MtGox Co., Ltd. or a location designated by the Rehabilitation Trustee to receive repayment in JPY (cash)
