Rehabilitation creditors should read this document carefully as it contains essential information regarding repayment procedures.

### **1. Change of Deadline for Selection of Repayment Method and Registration of Payee Information**

As previously mentioned, the Rehabilitation Trustee has launched a function for rehabilitation creditors to select a repayment method and to register payee information (“**Selection and Registration**”) regarding repayments in accordance with the Rehabilitation Plan on the MTGOX Online Rehabilitation Claim Filing System (i.e., the system accessible via <https://claims.mtgox.com/>; the “**System**”).

The deadline for the Selection and Registration was March 10, 2023 (Japan time) but having obtained the permission of the court, **the Rehabilitation Trustee has changed the deadline (“Deadline”) to April 6, 2023 (Japan time)**, considering various circumstances such as the progress by rehabilitation creditors in respect of the Selection and Registration.

**However, please note that, in the interest of making the repayments to rehabilitation creditors as early as possible, unless there are unavoidable reasons, further extension of the Deadline will be difficult.** Therefore, rehabilitation creditors who have yet to complete the Selection and Registration should refer to the information provided by the Rehabilitation Trustee, and perform the Selection and Registration as soon as possible. Rehabilitation creditors who have not completed the Selection and Registration by **April 6, 2023 (Japan time)** will not be able to receive any of the repayments below. In some cases, you may be required to bring the necessary documents

**[Important]**

to the head office of MtGox Co., Ltd. or a location designated by the Rehabilitation Trustee to receive repayment in JPY (cash) and if a rehabilitation creditor cannot take receipt of such repayment, the Rehabilitation Trustee will deposit the amount of such repayment with the Legal Affairs Bureau.

In addition, in order to carry out the Selection and Registration, it is necessary to log in to the MTGOX Online Rehabilitation Claim Filing System (i.e., the system accessible via <https://claims.mtgox.com/>; the “System”). If you are unable to log in to the System, you must apply for the Creditor Code and make various other applications in advance. **If you have not yet completed the necessary applications, please promptly complete them. If you file your applications a few days before the Deadline of April 6, 2023, the Rehabilitation Trustee may not be able to approve your applications in a timely manner due to a large number of applications, lack of sufficient time to correct deficiencies in your application, or other reasons. Please note that MTGOX and the Rehabilitation Trustee will not be liable for any rehabilitation creditor’s failure to log in to the System and carry out the Selection and Registration by the Deadline as a result.**
