Announcement of Order to Change Submission Deadline for Rehabilitation Plan

A large amount of rehabilitation claims that the Rehabilitation Trustee fully or partially disapproved remains undetermined for being subject to claim assessment procedures. Accordingly, it is not possible at this moment to make appropriate provisions in a rehabilitation plan on modifications of the rights of the rehabilitation claims, repayment methods, and appropriate measures for the undetermined rehabilitation claims and therefore to submit a rehabilitation plan by April 26, 2019.

It is expected that it will take some time before such undetermined rehabilitation claims are determined by the court, and a rehabilitation plan can be submitted.

In light of the foregoing, the Rehabilitation Trustee filed a motion to seek an extension of the submission deadline of a rehabilitation plan at the Tokyo District Court, and, on April 24, 2019, the Tokyo District Court issued an order to extend the deadline for a rehabilitation plan to **October 28, 2019**.
