**Announcement on Release: New Tool to Change Contact E-mail Address /  
Claimholder's Name**

MtGox Co., Ltd.

Rehabilitation Trustee:

Nobuaki Kobayashi, Attorney-at-law

We are pleased to announce that we have released the tools on the online rehabilitation claim filing system that will allow Users who have filed a proof of rehabilitation claim using the Online Method to apply for the change of contact e-mail address and the name of the claimant who filed a proof of rehabilitation claim.

Please note, however, that you cannot apply for a transfer/assignment of claims using the tool we have released. We will install an additional tool on the System that will allow you to file an application for a transfer/assignment of claims going forward. In addition, you cannot apply for the change of the name of the original claimholder in respect of a filed claim acquired by you through inheritance using the tool we have released. If a claim that has already been filed was acquired by you through inheritance, please contact the Call Center.
