

July 16, 2021

To whom it may concern:

Rehabilitation Debtor: MTGOX Co., Ltd.
Rehabilitation Trustee: Nobuaki Kobayashi, Attorney-at-law

**Announcement of Release of
Online System Registration Feature for Self-Approved Creditors (Phase 1)**

The Rehabilitation Trustee has released a feature that allows eligible creditors whose creditor numbers begin with Z1 or Z2 to register on MTGOX's Online filing system (online system) ("System"). However, due to the large number of self-approved creditors, from a security standpoint, not all creditors are eligible to register on the System. On this occasion, only creditors with creditor numbers between **Z1-100001 and Z1-101500** are eligible to register on the System.

The Rehabilitation Trustee is considering using the System in order for creditors to be able to seamlessly conduct procedures, such as those necessary for registration of a bank account to receive payments after the rehabilitation plan is approved. For that purpose, all eligible creditors should promptly register on the System via the link below.

Online filing system: <https://claims.mtgox.com/>

Please note that self-approved creditors other than those mentioned above are not eligible to register on the System at this stage. The Rehabilitation Trustee will expand the scope of creditors eligible to register on the System in phases and announcements will be made accordingly. Once an announcement has been made that your creditor number is eligible for registration, please apply to obtain your creditor code which is necessary to register on the System.

In addition, in registering on the System, it is recommended that you use the latest version of Google Chrome, as not doing so may cause errors in the registration process.
