Notice Concerning Change of Repayments Deadline

1. Change of Repayments Deadline

With the exception of certain types of repayments, the Rehabilitation Trustee has largely completed the Base Repayment, Early Lump-Sum Repayment, and Intermediate Repayment (collectively, the "**Repayments**") for rehabilitation creditors who have completed the necessary procedures for receiving repayments and have not encountered any issues during the Repayments process.

However, many rehabilitation creditors still have not received their Repayments because they have not completed the necessary procedures for receiving Repayments. Additionally, a considerable number of rehabilitation creditors have not received their Repayments due to various reasons, such as issues arising during the Repayments process.

As it is desirable to make the Repayments to such rehabilitation creditors to the extent reasonably practicable, the Rehabilitation Trustee, with the permission of the court, has changed the deadline for the Repayments from October 31, 2026 (Japan Standard Time) to **October 31, 2027 (Japan Standard Time)**.

2. Inquiries

For any inquiries, please log into the MTGOX Online Rehabilitation Claim Filing System (i.e., the system accessible via https://claims.mtgox.com/; the "**System**") and use the inquiry form accessible from the "FREQUENTLY ASKED QUESTIONS (FAQ)" button in the upper right corner of the screen.

You can also make inquiries using the inquiry form accessible from the URL below without logging into the System. However, if any inquiries are made in such manner, we may not be able to verify the identities of the inquirers and creditors, which may make it difficult to respond to such inquiries smoothly. Accordingly, if possible, please make inquiries after logging into the System.
